

## My inspirational teacher

### Quotations from the essays that the pupils of E'2 wrote

- ❖ *It is important for me to be inspired by me teacher because then I will gain more knowledge. (Sienoda Asraf)*
- ❖ *I would like my teacher to treat us with respect and be patient with us. (Kalia Damianou)*
- ❖ *I would like my teacher to be a man because men have more humor, less stress while teaching and generally their teaching is more practical and simple. (Marina Pasiouli)*
- ❖ *My inspirational teacher would be an athlete, a footballer or he would know karate. Besides teaching us theoretical lessons, I would like him to teach us football or karate even in the afternoons. (Konstandinos Charalambous)*
- ❖ *I would love it if our teacher used a computer in class during teaching. Nowadays technology is very important and the use of computers would make learning fun. (Konstandinos Xatzigiannakou)*
- ❖ *It doesn't matter to me how my teacher would look like. The only thing that matters is that she teaches in a way that would help us understand various meanings. (Eleni Kounni)*
- ❖ *I would like my teacher to assign me with a lot of homework. That way I would practice more at home and learn more things. (Ilina Anna Tsekova)*
- ❖ *I would rather my inspirational teacher to take into consideration our interests, our queries and weaknesses to organize her lesson. (Panagiota Andoniou)*
- ❖ *My inspirational teacher would not shout in class or punish students for any reason. He would be kind with everyone. (Giannis Katsaros)*
- ❖ *I would rather my teacher not to assign us team work. I would rather work alone because for team work we spend too much time. (Loizos Sotiriou)*
- ❖ *An inspirational teacher would be able to help not only optimal students but also students with weakness by making his/her teaching simple and understandable. (Kyriakos Gavriel)*
- ❖ *I would like to use play station in class and also educational games. That would make the lessons much more fun. (Dafnia Argyrou)*
- ❖ *It would be ideal if my teacher treat me with kindness. I would like her to assign me with very little homework. (Giannis Efstathiou)*
- ❖ *My inspirational teacher would be a woman because women have more patience with children. I don't mind what her appearance would be. (Andreas Pembetsiou)*
- ❖ *Drawing is fun, therefore I would like my teacher to allow us during lessons to draw for a while. (Mikaella Pembetsiou)*
- ❖ *I would like my teacher to reward me when I make something right and when I make something wrong I would like her to explain me what I did wrong instead of shouting at me. (Panagiotis Aristodemou)*
